Sir,

Adverting to G.O.No.L 63-58/V.P.30-44-2 dated the 25th July 1945 according sanction to certain byelaws relating to hotels and coffee clubs in the Sanitary Board area, I have the honour to state that byelaw no.6 of the above provided for the production of medical certificates by the employees at the time of their employment on the hotel or coffee club. But it was considered desirable to insist upon periodical production of such certificates. Hence the matter was ~~br~~ brought ~~xxxxx~~ for the consideration of the Board on 30-8-1945 and it was resolved that byelaw no.6 may be modified so as to read as follows:-

6.(e). No cook, server and other servant shall be employed in a hotel unless he produces a medical certificate from a Health Officer or a recognised doctor not below the rank of an Assistant Surgeon, at the time of his employment and once in 6 months thereafter.'

The byelaw as it reads now and as it reads after the proposed amendment is noted in juxtaposition in the enclosed statement.

Approval of Government to effect the amendment suggested above may be kindly intimated at an early date.

I have the honour to be ,
